INDEPENDENT STUDENTS' UNION

For four decades now, the University has always supported and recognized the **SLU Student Council, Kataas-taasang Sanggunian ng mga Mag-aaral/Supreme Student Council (KASAMA/SSC)**, as the only legitimate voice to present student needs, problems, opinions to the Administration and is the only recognized representative in all matters affecting the students.

The KASAMA/SSC plays a vital role in the promotion of the general welfare and the uplift of the fundamental student rights and duties. It is autonomous and the authority emanates from the students. The SLU KASAMA/SSC is composed of three branches, namely **Executive Committee, Student Court and Congress of Louisians**; and two constitutional commissions, namely **Commission on Elections and Commission on Audit**. They have a Constitution and By-Laws that govern their tasks and funding in the form of KASAMA/SSC student fees for their operation and project implementation. The SLU KASAMA/SSC President seats as a committee member in several Administrative Committees whereby student participation is merited.

Starting tomorrow, December 16, until December 20, 2023, the library hours in the main campus will be extended until 7:30 pm. The council will also provide free coffee near the library starting on Monday.

Unfortunately, library hours cannot be extended in the Bakakeng Campus due to the lack of librarians.

The council will continuously work with the University Library for longer library hours for the upcoming semester.
