On August 17, 2023, the BCJZ held the first of its series of training workshop on the Katarungang Pambarangay Law.

Hon. Judge Ruth B. Bawayan of the MTCC Branch 6 of Baguio City formally opened the activity highlighting the important role of the barangays as part of the alternative dispute mechanism of our justice system.

This was followed by discussions on the principles of and procedures laid down by the KPL by Atty. Jonathan P. Bosantog of the Public Attorney's Office (Regional Office).

Participants then underwent a workshop which facilitated the merging of theory and praxis as they were confronted with scenarios that needed the application of those discussed during the lecture.

TRAINING WORKSHOP KATARUNGANG PAMBARANGAY

“You always go back to that principle that the KPL was crafted to maintain peace and order in the community. It is a system for dispute resolution, providing all avenues to reach an amicable settlement.”
