NEUTRAL PLATFORM AND SAFE SPACE

The Saint Louis University COMELEC conducted an event entitled Voter's Education Series 2: Keep Slaying Bbie! Future in the Hands of Gen Z on April 30, 2023 via Zoom meeting and Facebook live.

In partnership with We The Youth Vote and SLU Supreme Student Council, students and youth leaders from SLU, University of Baguio, and San Beda University attended the voter's education series.

During the roundtable discussion, the students engaged with the speakers verbalizing their ideas on topics such as youth roles in sociopolitical change, voter awareness, and influencing nation development.

NEUTRAL PLATFORM TO DISCUSS ISSUES

Saint Louis University with the initiative of the Political Science Academic Society (POSAS) conducted its Second Organizational Conference with the theme **“Unravelling the Twisted Truth: A Fight Against Historical Distortion and Injustices in the Philippines”**. The one-day event afforded the attendees to enrich their learnings on inequity and malformation in history, not only limited in the academe but also outside of their respective fields. On the other hand, the attendees were able to **convene and express their opinions and sentiments about these issues in an environment that is safe, dynamic, accepting, and conducive to learning.**
