OUTREACH : FREE LEGAL ASSISTANCE & AID AND NOTARIZATION ACTIVITIES

The Chief Justice Moran Community Legal Assistance Office is the official Legal Aid Clinic of Saint Louis University. For more than five years now, the CJ Moran office has been dedicated to offering free legal services to the Louisian community and the larger Cordilleran population. During the pandemic, the CJ Moran office served the community with free online legal services and consultations. During the past three years, the office's services have significantly impacted the community. Aside from online services, the office has also paved the way for online webinars that promote awareness about individual rights, such as women's rights, rights with small claims, and rights of children, to name a few.
